

How to Download eBooks and Audiobooks Using an Apple Device (iPhone/iPad/iPod Touch)

With OverDrive's app, you can download EPUB eBooks and MP3 audiobooks directly to your device.

Install and Authorize the OverDrive Media Console App

1. Open the **App Store** on your Apple device.
2. Enter "OverDrive Media Console" in the search box. Tap **Search** on the keyboard.
3. Tap the **+Free** button then tap **Install App**.
4. The first time you open the OverDrive Media Console App, or the first time you download an eBook or audiobook, the App will need to be authorized with an Adobe ID.
 - If you do have an Adobe ID, enter your ID and password, and tap **Authorize**.
 - If you do not have an Adobe ID, tap the **Get a free Adobe ID** button. You will be taken to Adobe's website where you will follow their steps to create an Adobe account.
 - Return to the App, tap **Get Books**, then tap **Settings**, then tap **Authorize**.
 - Enter your Adobe ID, and then tap **Authorize**.
5. Open the OverDrive app and tap the **Get Books +** button in the upper right corner.
6. Enter the zip code associated with your Library card, select **Harborfields Public Library** and tap the star next to "Live-brary.com Downloads".

Download an eBook to Your Apple Device

1. Open the OverDrive Media Console App and tap **Live-brary.com Downloads** to start your search.
2. Tap on the Account icon and log in by selecting your Library and entering your Library Card Number.
3. Search for books by browsing the genre categories or using the keyword search box.
4. When you find an available EPUB, Open EPUB or PDF eBook you want to read, tap **Borrow**. Your eBook selection will be immediately checked out to you.
 - If an item is currently unavailable, you will see a **Place a Hold** button. Tap this button and enter your email address. You will be notified by email when a copy is available.
 - Most titles can be borrowed for 14 days. You can change this to 7 days by tapping **(Change)**.
 - *Kindle format eBooks can be read using the Kindle App, which must already be installed on your device.*
5. Tap the **Go to Bookshelf** button.
6. When looking at a book on your **Bookshelf**, tap the **Download** button, tap the box next to **EPUB Book**, and tap **Confirm & Download**.
7. Your eBook will automatically start downloading to the Bookshelf of the OverDrive app. Tap the **Bookshelf** button in the upper right corner to begin reading.

How to Download eBooks and Audiobooks Using an Apple Device (iPhone/iPad/iPod Touch)

Download an Audiobook to Your Apple Device

1. Open the OverDrive app and tap the **Get Books +** button in the upper right corner.
2. Follow the download steps 1 – 7 as above but make sure to look for the MP3 audiobook format.
3. When looking at a book on your **Bookshelf**, tap the **Download** button, tap the box next to **MP3 Audiobook**, and tap **Confirm & Download**.
4. Your eBook will automatically start downloading to the Bookshelf of the OverDrive app. Tap the **Bookshelf** button in the upper right corner to begin listening.

Return Your eBook or Audiobook Early

Library eBooks will expire when the loan period is up but if you wish to return an item early:

1. From the bookshelf, tap the + button next to the eBook title you that you want to return or delete.
2. Tap **Return/Delete** to display the return options.
3. Tap **Return then Delete** to remove the eBook from your device and your Live-brary Downloads account. Selecting **Delete only** will delete the title from your device but you will still have it checked out.

Please note: Open EPUB and PDF format eBooks cannot be returned early.

Download time depends on the size of the book and your connection speed. Apple requires a Wi-Fi connection to download eBook and audiobook files.

When downloading directly through your device, audiobooks must be in MP3 format, and eBooks must be in an EPUB or PDF format (unless you have the Kindle App, which supports the Kindle eBook format).
