

How to Borrow Library eBooks & Audiobooks On Your NOOK Tablet (HD, HD+ and Color)

Install and Authorize the OverDrive Media Console App

1. From your home page, push the **n** button, then tap **Apps**.
2. Tap **SHOP NOW** near the top of the screen.
3. Enter "OverDrive Media Console" in the search box. Tap **Search** on the keyboard.
4. Tap **Free** then **Confirm**.
5. The first time you open the OverDrive Media Console App, or the first time you download an eBook or audiobook, the App will need to be authorized with an Adobe ID.
6. If you *have an Adobe ID*, tap **Settings**, enter your Adobe ID and password, then tap **Authorize**.
7. If you *do not have an Adobe ID*, tap **Get ID** to create one on Adobe's website. You will be taken to Adobe's website where you will follow their steps to create an Adobe account.
 - Return to the OverDrive Media Console App and go to **App Settings** to enter your newly-created Adobe ID and password, then tap **Authorize**.
 - If you have previously authorized other computers or devices, be sure to use the same email and password.

Download an eBook or Audiobook to Your NOOK

1. Open the Internet browser on your NOOK and go to **downloads.live-brary.com**.
2. From this website, to find an EPUB eBook or MP3 audiobook to read you can...
 - Click on a book cover
 - Click on a genre link to browse
 - Try a search by title or author
3. To sign in, tap **Sign In** at the top of the screen or on the **Account** icon.
 - Select your home library and sign in with your library card number or username.
4. Most titles can be borrowed for 14 days. You can change this to 7 days by tapping **(Change)**.
5. When you find an available EPUB eBook or MP3 audiobook you want to read, tap **Borrow**. Your selection will be immediately checked out to you.
 - If an item is currently unavailable, you will see a **Place a Hold** button. Tap this button and enter your email address. You will be notified by email when a copy is available.
6. Tap **Go to Bookshelf**.
7. When looking at the book(s) checked out to you on your **Bookshelf**, tap the **Download** button, tap the box next to check **EPUB Book** or **MP3 Audiobook**, and tap **Confirm & Download**.
8. Your OverDrive Media Console App will automatically open on your NOOK, where you may tap on your eBook to begin reading, or audiobook to begin listening, after it has finished downloading.
